

Windjammer Landing Resort & Residences Sets a New Luxury Benchmark as Saint Lucia's Only Leading Hotels of the World Property

Following a \$30M luxury transformation, the iconic Caribbean resort welcomes Saint Lucia into the world's most prestigious hospitality collection.

LABRELOTTE BAY, SAINT LUCIA (May 15, 2025) – Windjammer Landing Resort & Residences, Saint Lucia's premier 65-acre Mediterranean-style resort, is proud to join [The Leading Hotels of the World \(LHW\)](#), an exclusive global collection of luxury, independent hotels. It is currently the only resort on the island to earn this prestigious recognition.

"Being welcomed into The Leading Hotels of the World is a proud milestone for us and we are honored to be recognized as part of the collection," said Nick Prattas, Managing Director of Windjammer Landing Resort & Residences. "This achievement speaks to the passion of our team, the vision behind our extensive transformation, and our deep roots in Saint Lucia — all of which drive us to deliver exceptional and lasting experiences for every guest."

Set on a lush hillside overlooking the Caribbean Sea, Windjammer Landing's one- to four-bedroom luxury suites and villas have long defined laid-back elegance in Saint Lucia. Known for its personalized hospitality and deep connection to local culture, the resort offers everything from bespoke spa experiences to beachfront dining across seven distinctive restaurants and bars. Now recognized as a member of The Leading Hotels of the World, Windjammer Landing stands proudly among the world's most exceptional luxury destinations.

Leading Hotels of the World represents a curated collection of more than 400 hotels in over 80 countries with just 12 properties in the Caribbean, each recognized for their exceptional quality, distinct character, and unwavering dedication to hospitality. Properties range from serene beachfront escapes to iconic city landmarks, and each member is chosen for its unique experience, commitment to the local community, and excellence in service.

"At The Leading Hotels of the World, we're proud to welcome properties that reflect the spirit of independent luxury," says Deniz Omurgonulsen, Vice President, Member Experience, The Leading Hotels of the World. "Windjammer Landing Resort & Residences brings a distinctive charm to our collection. As our only member hotel in Saint Lucia, it enhances our presence in the Caribbean and captures the spirit of authentic, elevated hospitality. Perched on a hillside with sweeping sea views, it offers guests a refined island escape filled with character, comfort, and unforgettable experiences."

Direct flights to Saint Lucia's Hewanorra International Airport (UVF) are available from many major North American cities including Atlanta, Boston, Charlotte, Chicago, Miami, New Jersey, Toronto, and New York.
